

CROSS COUNTRY CANADA SUPPLIES & RENTALS YELLOW IRON

CONSTRUCTION • MINING • PIPELINE • INFRASTRUCTURE • DEMOLITION

EXCAVATORS

Our Caterpillar Excavators excel in digging, trenching, and earth-moving tasks, delivering peak efficiency and unwavering reliability.

CAT 336 HYDRAULIC EXCAVATOR

Large Excavator

Net Power - ISO 9249 311 HP
Operating Weight 81900 lb
Maximum Digging Depth 26.9 ft

The 336 stands out as a top performer due to its powerful hydraulics, substantial payload capacity, and robust digging force and swing torque. Its low fuel consumption, durable filters, and easily accessible service points minimize downtime, maximizing production efficiency.

RUBBER TRACK CARRIERS

Unmatched traction, high load capacity, and 360-degree cab rotation for versatile and demanding jobs.

MOROOKA MST1500VD

Smooth work at job sites, such as rivers, swamps, and sandy areas .

- Engine Output: 225 HP
- Transport Weight: 24,720lbs
- Rated Payload: 15,435lbs

MOROOKA MST2200VD

Most versatile platform in the market.

- Engine Output: 250 HP
- Transport Weight: 31,820lbs
- Rated Payload: 24,255lbs

MOROOKA MST2200VDR

With the ability to rotate the upper structure a full 360 degrees.

- Engine Output: 250 HP
- Transport Weight: 35,273 lbs
- Rated Payload: 24,255 lbs

MOROOKA MST3000VD

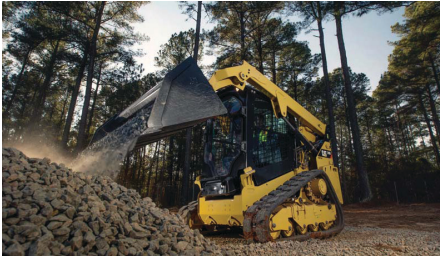

The largest Morooka offered in Canada. Choice of dump bed, flat bed or no bed.

- Engine Output: 325 HP
- Transport Weight: 33,140 lbs
- Rated Payload: 33,016 lbs

SCAIP SRT-155 W/CRANE

- Payload: 6 t / 13,230 lbs
- Operating Weight: 9.5 t/20,950 lbs
- Net Flywheel Power: 151 kW/202hp
- Travel Speed: 7,4 km/h - 4.6 mp/h

SKID STEERS

Skid steers demonstrate exceptional proficiency in construction, landscaping, snow removal, and earth-moving activities, ensuring peak productivity and performance across a wide range of applications..

WHEEL LOADERS

Designed to excel in construction projects, material handling, and loading tasks, ensuring optimal performance across diverse applications. With robust features tailored for efficiency, superior results are delivered in any task.

DOZERS

CAT Dozers effortlessly handle demanding tasks across construction, land clearing, and grading, mastering diverse terrains with ease, from soil and sand to snow, rubble, and rock, making them the ideal choice for any project.

SKID SLOOPS

Cross Country Canada's skid sloops simplify and streamline the collection and transportation of pipeline skids with their durable, rugged design, ensuring efficient operations.

ATHEY WAGONS

Athey Wagons are trailer units equipped with tracks and a frame suitable for attaching diverse equipment like fuel tanks, flat decks, and rigging gear, offering versatility for various tasks.

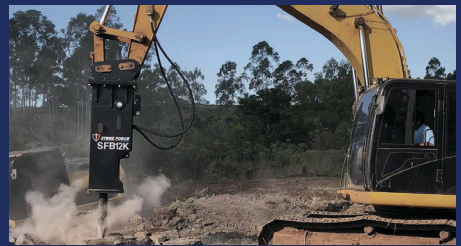

ATTACHMENTS/ ACCESSORIES

Cross Country Canada supplies a large variety of heavy equipment attachments and tools to get the job done right.

ALLU BUCKETS

Process many types of material such as topsoil, excavated and waste soil, clay, bark, compost, bio-waste, demolition and construction waste, milled asphalt, glass, coal, limestone and more.

STRIKEFORCE HAMMERS

Give the punch needed to break through any obstacle. These breakers combine the power needed for heavy rock breaking and the speed needed for demolition and general construction work.

OTHER ATTACHMENTS

- Digging Spoons
- Lifting Jibs
- Digging & Clean-out Buckets
