# CCC TRUCKING

**YOUR COAST-TO-COAST CONNECTION FOR SEAMLESS TRANSPORT SOLUTIONS!**

Cross Country Canada has expanded its services with the introduction of CCC Trucking, making us your ultimate destination for all your supply and delivery needs. In addition to our trucking services, we provide comprehensive offerings such as project management, truck push support, and supervision for various transportation projects. These projects encompass activities such as pipe stringing, HDD rig moves, camp setup and relocation,

mine mobilization and demobilization, as well as full pipeline mobilization and demobilization.

Our operations adhere to federal regulations, and we maintain full safety certifications, ensuring that our services meet the highest safety standards. Moreover, our reach extends across both Canada and the United States, making us a versatile and reliable choice for your transportation needs.
