

CROSS COUNTRY CANADA SUPPLIES & RENTALS TEST HEADS

PIPELINE

8", 10", 12", 16", 20", 24", 30", 36"

Pressure testing with water on piping to check system integrity under high pressure conditions.

- Engineered to build up to 48" and down to 6" if needed
- Designed to max test pressure of 3000psi with 1500 ANSI valves and cover both Canadian and USA Pipeline Codes
- Heads are equipped with full protective cages to ensure protection for the valves during use.

Cross Country Canada also carries a full line of Pig Launchers and Receivers ranging from 4" to 42" as well as Hydro Test Pumps, Skimmers, Strainers, Flow Meters, and Pressure Recorders.
